

Certified Wellness Coach (CWC) Renewal Guidelines

To support NASM's commitment to protect health and safety, the NASM CWC credential must be renewed every two (2) years. This ensures that NASM CWC professionals are current with best practice guidelines, promotes continued competence and development of knowledge beyond the levels required for entry-level practice.

CEU Requirement

The number of CEU's required is 1.9.

- CEU's are based on contact hours. *Contact hours* are defined as the number of clock hours spent in direct participation in a structured educational format.
- One (1) contact hour is equivalent to point-one (0.1) CEU.

Renewal Fees

Every NASM-CWC credential holder is required to submit a completed renewal application every two years. Unlike other NASM renewable credentials, the CWC will not require a renewal application fee to be paid. However, credential holders will be responsible for any applicable late fees. The late renewal fees are: \$30 for applications received up to 90-days post-expiration and \$50 for applications received after the 90-day grace period and before one year after credential expiration.

Expiration of Credential

The NASM CWC credential will expire if all renewal requirements have not been met by the expiration date. Renewal Applications can be submitted up to one year late *if all continuing education courses have been completed before or within 90 days of the certification expiration date*. Additional fees will apply.

Petition Policy for Continuing Education

Non-NASM-approved continuing education courses can be reviewed by petition only. A \$25 non-refundable administrative fee is required for each course/event petitioned.

Renewal Audit

There will be a random audit performed on all renewal applications submitted. If your application is chosen for audit, you will have 30 days to submit all supporting documentation to the NASM Recertification Department.

Change of Address

Changes in mailing address must be provided to the NASM Recertification Department. You can keep your member information current by logging onto your member page from our website.
